Relevant Experience & Leadership

Heavy Transport Operator (88M) & Orderly Room Clerk

U.S. Army Active Duty Component | Aug 2024 - Present

- Executed time-critical logistics and operations under rigorous international standards during deployment in Operation Atlantic Resolve with 1st Cavalry Division 553rd Sustainment Brigade.
- Managed data accuracy, operational readiness, and secure communications as an Orderly Room Clerk, directly translating to the rigorous documentation required in software development.
- Awarded the Army Achievement Medal for exceptional performance, high adaptability, and precise execution under pressure.

Logistics Operator & Lead Yard Spotter

MillerCoors, Dupre Logistics, and J.B. Hunt Intermodal | Feb 2017 - Aug 2024

- Utilized computer dispatch systems and 2-way radios to delegate tasks to logistics teams, successfully sorting and prioritizing up to 50 simultaneous load assignments without delays.
- Troubleshoot routing anomalies with corporate dispatch, maintaining strict DOT compliance and accurately logging digital trip sheets.
- Mentored and trained new employees on safe operation and procedural compliance, earning a (Top 10 Safest Drivers) award for meticulous attention to operational protocols.

Salary Manager

Tour De Pizza, Pizza de Roma, Mimi's Cafe | Feb 2014 - Mar 2016

- Directed daily operations and food quality as a night manager, taking responsibility for closing procedures and delegating tasks to coworkers in a fast-paced environment.
- Demonstrated immense stamina and dedication by consistently executing 13-hour shifts, 6 days a week.
